

Crypto Wallet Security Checklist

Ensure your wallet is secure before diving into Black Friday crypto deals with this comprehensive checklist.

1. Secure Your Wallet with Two-Factor Authentication (2FA)

- Enable 2FA on your wallet and associated accounts.
- Use an authentication app (e.g., Google Authenticator) instead of SMS for added security.

2. Use a Strong and Unique Password

- Create a complex password with at least 12 characters, including uppercase, lowercase, numbers, and symbols.
- Avoid reusing passwords from other platforms.

3. Keep Your Recovery Phrase Safe

- Write down your seed phrase and store it offline in a secure place.
- Never share your recovery phrase with anyone or store it digitally.

4. Opt for Cold Storage for Large Holdings

- Use a hardware wallet (e.g., Ledger Nano or Trezor) for significant investments.
- Avoid keeping large amounts of crypto in online wallets or exchanges.

5. Update Your Wallet Software

- Ensure your wallet and any associated software are updated to the latest versions.
- Updates often include critical security patches.

6. Verify URLs Before Accessing Wallets

- Only access your wallet via official websites or apps.
- Bookmark the correct URL to avoid phishing sites.

7. Avoid Public Wi-Fi

- Conduct transactions over secure, private networks.
- Use a VPN for an added layer of encryption when trading.

8. Regularly Monitor Account Activity

- Check for unauthorized access or suspicious transactions frequently.
- Enable email or app notifications for account activity.

9. Backup Your Wallet

- Back up wallet data and settings securely.
- Test recovery procedures to ensure you can restore your wallet if needed.

10. Stay Informed About Security Practices

- Follow trusted sources for updates on wallet security.
- Be cautious of unsolicited messages or offers related to your wallet.

Bonus Tip:

Participate in Black Friday deals only from reputable platforms with strong security protocols. Look for reviews and community endorsements to ensure their credibility.
